ARCHITECTURE IDEAS

Gen Next Competition

The VOX Architecture Ideas Competition by FOAID is India's leading platform celebrating the next generation of architects and interior designers, bringing emerging talent and industry leaders together on one stage where bold ideas meet design excellence.

Each edition invites young designers to present built projects that reflect creativity and bridging aspirations with achievement. The grand finale at FOAID Mumbai Edition 2025 will feature live presentations by shortlisted finalists, with winners of Zone 2 taking home the prestigious FOAID Trophy and earning national recognition on India's most celebrated design platform.
